FALL/WINTER 2011

Your Reserve Dollars at Work What a View...

At long last the beachfront beautification project has been completed. The job was not an easy one. Though the calendar said summer, the weather said otherwise. The crew had to battle high winds, rain and even snow throughout the week.

A barge was brought in to save in expenses; otherwise, materials would have been brought in through the grounds and additional costs to replace the landscaping would have occurred.

Sand was brought in to finish off the landscape and sifted through screens to ensure softness.

Fall Fun

As we move into the cooler months, I look forward to many beautiful changes at our lake. What better time of the year to visit your home-away-from-home than during the fall foliage... hiking through the Sierra Nevada mountains with the aspen trees a glow of brilliant yellows and gold and the mighty maple trees a glorious red.

You can enjoy the crisp sunsets at the newly renovated beachfront area on one of the chaise lounge chairs while sipping a glass of wine and unwinding from the hustle and bustle of your daily life.

The resort has been hosting many activities at the poolside fire pit, keeping you toasty at night while you take in the views.

At night you can cuddle into in the luxury of our all new bedding, consisting of new sheets, down comforters, cuddle blanket and numerous pillows (down and synthetic). We've received many positive comments on this bedding.

We hope you'll visit this fall and enjoy your resort. We look forward to seeing you.

Peter Grant, one of your Board of Directors, was there daily with me, to oversee the project and ensure that it was done properly. Each rock was strategically placed using a layer of sand and gravel in a special landscaping fabric to prevent erosion and help the newly built wall to withstand Lake Tahoe's high winds and powerful waves.

The end result is amazing and the Red Wolf Lakeside Lodge's lakefront has never been more beautiful. Owners have enjoyed lounging on the new terraces the entire summer, soaking in the rays and enjoying the views at sunset.

We're sure you'll agree that we truly are the gem of North Lake Tahoe.

Employee of the Quarter

It comes as no surprise our employee of the quarter is Trinidad Avilla, fondly known as "Trini".

As Facilities Manager, Trini leads our housekeeping and maintenance teams. He has been a part of the Grand Pacific Team for 20 years. When he is not running around the resort making sure everything is perfect, he and his family enjoy spending time with his brother in Carson City. Most recently he became a grandfather for the first time, welcoming a baby girl into the family. The new addition keeps him and the entire family busy.

Next time you see Trini at the resort, please congratulate him.

O Canada!

Grand Pacific Resort Management's Newest Resort at Panorama

Nestled in the Canadian Rockies within the Panorama Mountain Village, we welcome our newest resort property, Panorama in British Columbia. Panorama Mountain Village is in a locale rich with rugged natural beauty and wildlife. Approximately three-and-a-half hours southwest of Calgary and close to Banff and Kootenay National Parks, this spectacular 53-unit property is perfectly situated for visitors to enjoy the outdoors all year long.

Surrounded by creeks, lakes, forests, and mountains, the resort offers an ongoing abundance of seasonal outdoor activities – many of them right on site. Well known for being an excellent ski mountain, Panorama boasts North America's longest vertical descents and the largest slope-side hot pools in all of Canada. In winter months, choose from on-site downhill, cross-country, and heli-skiing. Strap on the snowshoes and hike in the woods. Summertime offers golf, tennis, horseback riding, rafting, hiking, cycling, nearby hot springs, and ATV excursions right outside your door. In addition, there are pools, hot tubs, saunas, pubs, shops, restaurants, as well as special events for families and children. And after a fun-filled day in the fresh air, stock up at the on-site general store, prepare a family dinner in the fully equipped kitchen and relax in front of your own roaring fireplace.

Grand Pacific Resort Management (GPRM) is honored to be Panorama's management company, and we look forward to serving our new family members in Panorama, Canada.

Our Recent Addition to Grand Pacific Resorts is A Real "Retreat"

If you've ever longed to escape into a tranquil mountain setting with babbling brooks, beautiful forests and endless wildlife, Mountain Retreat is the place.

This recent addition to the Grand Pacific Resort Management family rests 4500 feet up in the Sierra Mountains in the quaint historic mining town of Arnold, California. Located in the heart of California's Gold Country, just a few miles from Big Trees State Park, and surrounded by the area's finest golfing, The Sequoia Woods Golf Course, this resort is a "hidden gem".

Mountain Retreat, an RCI Gold Crown resort, offers a myriad of activities to partake in such as award-winning wineries (try the zinfandel!), open air concerts and all things outdoors - hiking, kayaking, rock climbing, trout fishing, boating, and even panning for gold!

For all you winter enthusiasts, Bear Valley Ski Resort is just down the road and there are an abundance of cross-country ski trails and snowmobile parks. Mountain Retreat has a little something for everyone including wood burning fireplaces just perfect to curl up to with a book.

We are excited to have Mountain Retreat part of the Grand Pacific Resort Management family of resorts and look forward to taking this resort to new heights.
