A Newsletter for Red Wolf Lakeside Lodge Homeowners and Guests

Email Campaign

What is the fastest way of communicating with each other in this day and age? Email.

Grand Pacific Resorts Management needs your email address, in fact you may have already received a call from resort staff asking for yours. We'd love to be able to contact you instantly with exciting news about your resort, special offers and newsletters. Not only is email an excellent way for you to stay in touch with the resort staff regarding your reservations and with questions about availability, it also saves you and the association money in telephone and postage expenses.

Please take the time to call 530-546-6262 ext. 0 or simply email rwll@gpresorts.com to let us know your email address.

Time Away

I would like to remind all of our owners, both new and seasoned, to take advantage of Bonus Time. As most of you know, Bonus Time is additional time at your resort above your regular use week. Just call the resort twenty days in advance to request a studio, one-bedroom or two-bedroom unit - you aren't limited to the unit size that you own. Rates for Bonus Time vary between high and low season, with rates decreasing during the slower periods of the year.

If you've already used, banked or rented your use week, this is a great way to take mini vacations at your resort. Do the kids want a ski weekend, or is it your anniversary? Just call the Front Desk and take advantage of rates that are far lower than hotel rates. The resort normally has availability during the midweek,

however, if there isn't any we will place you on a waitlist and notify you when a unit is available.

Imagine relaxing on the deck, soaking up the magnificent lakefront views or skiing during this record snow season. You work hard and deserve some quality down time. So, what are you waiting for? Call for Bonus Time today.

Erin O'Brien, Resort Manager

Important Newsletter Update!

As your management company, Grand Pacific Resort Management (GPRM) constantly evaluates cost vs. benefit of offerings and deliverables for our homeowners. To that end, we took a close look at our Resort Newsletters, and focused on the value proposition of a quarterly newsletter vs. a bi-annual newsletter, with email updates as needed. We also conducted a survey of our owners regarding the newsletters, frequency, and benefits.

We came up with a new Newsletter program that incorporates your ideas, and which is in sync with our Going Green initiative, reduces costs, and continues to provide important and timely information to you about your resort ownership:
